

# Billing Alert

Fawn Frazer Joint Water Authority will be making changes to how we bill you for your water usage.

When you receive your August bill (August 15<sup>th</sup> due date) it will reflect an ACTUAL reading. We are changing the meter reading cycle to every two months starting in July. You will only receive 6 bills a year.

You will no longer receive an estimated bill every other month.

The old estimated bill allowed up to 3,000 gallons, with the new billing process that allowance will now be 6,000 gallons.

## READING MONTHS

JULY

## PAYMENT OPTIONS:

Visit our website and register to manage your account [HTTPS://FFJWA.com](https://ffjwa.com)

You have the options to change the way you receive your bill (USPS or email), make payments, view or print your bill!

For your convenience you can make monthly payments to allow for a credit towards the actual reading bill or pay the reading in full.

Customers who are set up for reoccurring payments, you may need to login to your account and make the necessary adjustments to your frequency or payment amount.
